THE 2021 MORGAN SIRE RATING

Text by Stephen Kinney
Results from *Saddle Horse Report's* "Breeders' REPORT"

**SADDLE HORSE
REPORT**

In the age of electronic databases, a sire rating does something not available to breeders in earlier generations. It quantifies today what could only have been anecdotal information decades ago. A mare owner doesn't have to hear from a neighbor that a distant stallion is begetting impressive results. Today, objectively documented information can be one aid in breeders' decision making.

Which is why we use—and are thankful for—data compiled by Saddle Horse Report. Our friends at Dabora, Inc. provide an important service by compiling an industry-wide database of horse show results, which they call the "Breeders' REPORT." The results are not limited to Grand National and AMHA regionals. They also include all USEF Class A shows and all AMHA Star Rated shows. The show results of each individual horse accrue points to that horse's sire—meaning the "Breeders' REPORT" is comprehensive, to say the least. We are grateful for the opportunity to share results from such an authoritative database.

This is a ranking based on horse show results; thus, it applies to the sires who influence that field of competition. We do not know of accessible databases from other venues in which Morgans may compete (open carriage driving, for instance).

SIRE RATING FACTOIDS

- Eight of the top ten stallions descend in direct tail male line from Waseeka's In Command (Waseeka's Nocturne x Miller's Adel) through his following sons; Four—Mizrahi, SpiceOLife Present Tense GCH, Graycliff Tony GCH, Stand And Deliver GCH—through Noble Command (x Waseeka's Interlude by Waseeka's Nocturne); two—Futurity French Command and Astronomi-

callee—through Carlyle Command GCH (x Wawayanda Bay Maebel by Broadwall Patrician); one—Rowenda Boogie On Down—through Wham Bam Command (x Trophy's Corrigan by Trophy); and one—Ultras Special Agent—through Tug Hill Commando (x Fiddler's Majesta by Kadenvale Don).

- Two stallions descend in tail male line from Serenity Masterpiece; one—DBA Street Talk—is a son (x Kinglow's Cherish by Devan Pride); the other—Minion Millennium—through the Masterpiece son Minion Valentino (x Serenity Kimberly by Serenity March Heir).
- Ancient sirelines: Remember those descending from Waseeka's In Command trace to the Brunk breeding of that horse's grandsire, Starfire, who was by Senator Graham by Senator Knox; Serenity Masterpiece's tail male line goes directly to the U. S. Government foundation blood of Captor, by Mansfield, by Bennington, by General Gates. All these generations later our ten leading sires descend in male line from the Government and Brunk families.
- The dams of five of the top ten stallions descend in tail male line from Waseeka's In Command; two—Mizrahi and Astronomicallee—through the Wham Bam Command daughters Schiapparelli and Liberation Starbrite, respectively; one—Futurity French Command—through Noble Command's Broodmare Hall of Fame daughter Nobelle; one—Rowenda Boogie On Down—whose dam is a granddaughter of I Will Command (x Trophy's Corrigan); one—Stand And Deliver GCH—through Carlyle Command's daughter, World Champion Mare NBN At Your Command.
- The Broodmare Hall of Fame mare, Pompp And Pazazz (Serenity Masterpiece x Cy Don's Cynthia) has two sons on the top ten list:

- The top ten sire with the highest number of lifetime get is Futurity French Command with 303; Fewest is Rowenda Boogie On Down with 73. Four of the top five stallions each have more than 200 registered offspring.
- Top ten ranked sires Mizrahi and Futurity French Command each have a son—Graycliff Tony GCH and Astronomicallee, respectively—in the top ten ranking.

- Three stallions (SpiceOLife Present Tense GCH, Futurity French Command, and DBA Street Talk) remain on the top ten list despite being deceased, French for 15 years.
- Though rankings will change from year to year, all of the top ten stallions remain on the list from previous years. Futurity French Command, born in 1987, is the eldest of the group. Graycliff Tony GCH (2004) and Rowenda Boogie On Down (2006) are the youngest.

THE FUTURE

Having a high number of mature offspring competing obviously

keeps familiar stallions at the top of the annual sire rating. It is interesting to observe, however, in the 12 months between the closing of the rating in 2020 and closing the present one for 2021, the number of registered foals for each of the top ten stallions rose by only a few. Thirteen were newly registered by Minion Millennium; Graycliff Tony GCH added nine; the remainder added five or fewer. (It is worth stating, these figures may not reflect real numbers of mares bred, as not all breeders are timely with registrations.) With nearly 1,800 new foals being registered annually by AMHA, it is obvious there are a lot of young stallions stepping up to the plate. Listings of the stallions with the highest number of foals registered and the highest number of mares bred in the year 2020 can be found in Erica Eulau's "Registrar's Report" in this issue. As their offspring grow up, it will be interesting to see who enters the ranks of winningest sires. ■
